

Join Anamav Postnatal Care and make a meaningful difference in the lives of new families!

Job Posting: Lactation Consultant (IBCLC) at Anamav Postnatal Care

Position Title: Lactation Consultant (IBCLC)

Location: Greater Toronto Area

Employment Type: Part-Time, Contract

How to apply: Please submit your resume and a cover letter detailing your experience and why you are a good fit for this position to careers@anamav.ca

About Us:

Anamav Postnatal Care is a provider of in-home postnatal care services, dedicated to supporting new families during the critical postpartum period. Our team of compassionate and professional doulas and lactation consultants is committed to providing personalized care and fostering a positive and nurturing environment for both mothers/birthing parent and their infant.

Position Overview:

We are seeking a highly skilled and compassionate International Board Certified Lactation Consultant (IBCLC) to join our team. The ideal candidate will have extensive experience in breastfeeding support, a deep understanding of lactation, and the ability to provide expert guidance to new mothers in a caring and non-judgmental manner.

Key Responsibilities include but are not limited to:

- Conduct a comprehensive lactation and infant feeding assessment
- Develop an individualized infant feeding plan based on family goals
- Provide in-home lactation support, including assistance with latching, positioning, and addressing infant feeding challenges
- Educate and support the breast/chestfeeding parent on infant feeding techniques, milk supply management, and alternative feeding methods as indicated
- Offer guidance on breast/chestfeeding related issues such as mastitis, engorgement, and nipple pain
- Collaborate with healthcare providers, if needed, to ensure coordinated care for breast/chest feeding parents and infants
- Maintain detailed records of client interactions and progress in Anamav's secure and confidential online platform
- Support Anamav team members as required
- Maintain evidence-based knowledge on the latest research and best practices in lactation support

About You:

- Strong understanding of infant feeding, normal infant behaviours and evidence-based lactation practices
- Minimum of three years of practical experience providing lactation support

- Excellent communication and interpersonal skills
- Problem solving, critical thinking and time management skills
- Ability to work independently and as part of a team
- Compassionate, non-judgmental, and culturally sensitive approach to care
- Reliable transportation and willingness to travel to clients' homes within the Greater Toronto Area
- Believe in our mission and willing to represent our brand
- Love babies!

Qualifications:

- Current International Board Certified Lactation Consultant (IBCLC) certification
- Current Infant/Child CPR and First Aid certificate
- Vulnerable Sector Check (police check)
- Current personal professional liability insurance

Additional Preferred Qualifications:

- Registered healthcare provider (e.g. Registered Nurse, Registered Dietitian, Occupational Therapist, or Naturopathic Doctor)
- Additional certifications or training in areas such as postpartum care, infant nutrition, infant care, or perinatal mental health

Benefits:

- Competitive pay based on experience and qualifications
- Flexible scheduling options
- Opportunities for professional development
- Supportive and collaborative work environment

Application Process:

Interested candidates can submit a resume and cover letter by email detailing their qualifications and experience to careers@anamav.ca. Please state in the subject line of the email the position you are applying for.

We are committed to creating a diverse environment and are proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, gender, gender identity or expression, sexual orientation, disability, or age.
